Situation in the Horn of Africa (vote)

Ana Maria Gomes (PSE). - (PT) I would like to propose a new paragraph before paragraph 1 that states as follows:

‘Notes that the current situation in the countries of the Horn of Africa is not in conformity with the essential elements of cooperation stated in Article 9 of the Cotonou Agreement;’.

This is a sentence that was already in the report that our three colleagues, who visited the region, recently gave to us.
