Donald Trump
President of the United States of America

The White House
1600 Pennsylvania Avenue NW
Washington, DC 20500

Brussels, 19 June 2018

Mr. President,

Please use your powers to immediately put a stop to your Administration's policy of snatching and separating children from immigrant parents who have entered borders without documents.

Please use your powers to ensure that children already snatched be immediately reunited with their immigrant parents.

Please realise that such a policy does not project "zero tolerance" against migration, but, actually, "zero compassion" and "zero scruples": it is immoral and cruel, besides gravely harming the reputation of the United States of America among civilized nations.

Regards,
