H. E. Alexis Tsipras
Prime Minister of Greece

Brussels, 20 March 2018

Dear Prime Minister,

It has come to my attention that Russian whistleblower Maria Efimova, fearing for her life and the security of her family, walked into the Greek police, in Athens, last night, asking for protection.

Maria Efimova revealed crucial information and is a material witness in investigations on corruption and money laundering in Malta, involving Pilatus Bank and government members exposed by Panama Papers and Malta's FIU.

Therefore, I urge you to ensure that Greek authorities provide Maria Efimova with protection and safeguard of her security and that of her family and to prevent any attempts to return her to Malta.

Best regards,

Ana Gomes
