Donald Tusk
President of the European Council

Jean Claude Juncker
President of the European Commission

Federica Mogherini
*High Representative of the European Union for Foreign Affairs and Security Policy and Vice-President
of the European Commission*

*Dear Presidents Juncker and Tusk,
Dear High Representative,*

Brussels, 19 June 2018

Please use your voices to immediately and publicly condemn the Trump Administration policy of snatching and separating children from immigrant parents who have entered borders without documents.

Please use your powers to communicate with President Donald Trump and his Administration to ensure that children already snatched be immediately reunited with their immigrant parents.

Please make clear that such a policy does not project "zero tolerance" against migration, but, instead, "zero compassion" and "zero scruples": it is immoral, cruel and totalitarian, besides gravely harming the reputation of the United States of America among civilized nations.

*Best regards,
Ana Gomes*
